When does the Town of Bernalillo require a Building Permit?

Most residential projects require a building permit. The basic requirement is that a permit is necessary every time a home or other structure is erected, constructed, enlarged, altered, repaired, moved, improved, removed, converted, or demolished.

Only a limited number of projects are excluded from building permit requirements. Even projects that initially do not require a building permit may require design review or zoning approval, so we advise you to check Town requirements carefully before proceeding. Information is available on line at www.townofbernalillo.org.

If you are in doubt about whether or not a building permit or design review is required, you should contact the Planning and Zoning Department at 505-771-5896. Asking now may save you from costly redesigns and fines and may guide you towards a better project.

ESCAFCA News

Work has started on the South Hill Pond Modifications Project. Sierra Valley Contractors is hauling away dirt to make the pond a little larger so it will hold more stormwater. They are also rebuilding the outlet structure from the big box culverts under I-25 that were damaged in the 2013 storms. Other improvements will also be done to make the pond operate better for flood and sediment control.

Work is scheduled to be complete by early May.

Our summer programs are up and running and we are having a great time. It is never too late to join!

Summer Reading Programs

The theme for our Children's Summer Reading Program (up to age 12) is:

Our child's reading program provides prizes each week. All you need to do is show us your reading log, with the title of each book you have read, to get your prize (and it counts if an adult or sibling reads to you). AND there is a pizza party at the end of the summer to honor all the children who have read.

For our teens the theme is:

the Hero! Can you find the hero in the books you read?

Our teen program counts pages read. All you need to do is turn in your reading log every two week so that we can write down the number of pages read. We will then put your name in a drawing for a prize. Do you like to bowl, go to the movies, or visit museums? These are a few of the prizes that are given away every two weeks.

Other Programs and Events

- Story and craft time on Tuesdays at 2:30pm
- Visiting performers on Wednesday at 10:00am
- Afternoon at the Movies on Thursday at 2:00pm (except the 3rd Thursday of the month due to Family Movie Night).
- Family Movie Night on the 3rd Thursday of the month at 6:00pm

Check out our calendar of events and programs online or pick up a calendar at the library.

Don't forget that the library also has Wii games, board games, and puzzles all for use at the library. BOOKS, too! You could spend the whole day here and have lots of fun.

Remember, if you don't have a library card it is easy to get one. Just bring a picture ID and a bill that has been mailed to your current address to the library and we will hand you a card.

Have a GREAT summer!
