

Notice of Public Meeting

Town of Bernalillo

Arsenic Treatment Project for Municipal Water Well 1

Project No. 2311-ADW & 2319-DW

The Town of Bernalillo invites all interested citizens and parties to a public hearing to be held at 6:00pm on Monday, December 7, 2009 at Town Hall, 829 Camino del Pueblo, Bernalillo, New Mexico.

The Town of Bernalillo has applied for funding from the Drinking Water State Revolving Fund (DWSRF) loan program and the American Recovery and Reinvestment Act of 2009 (ARRA) to treat municipal water for the removal of arsenic to meet the drinking water standard set by the United States Environmental Protection Agency. The Municipal Water Well 1 Project includes new well equipment, chlorine system, storage tank rehabilitation, new arsenic treatment facilities, and a new treatment and operations building.

The purpose of this public meeting is to provide notice of the proposed project, identify issues of concern, identify a preliminary range of alternatives to be, or which may have been considered, identify potential cooperating agencies and other stakeholders, and enlist public participation in development of the project plan.
