253 \$793,036.04. Total penalty and interest written off - \$2,337,834.90.

254  
255 Chief Julian Gonzales presented the following year end report for the police department.

256  
257 Staffing

258  
259 FTE for the Department is 20 Police Officers including the Chief of Police, one Animal  
260 Control Officer (ACO), and two administrative support personnel.

261  
262 One vacancy exists for a police officer. The Department anticipates several departures of  
263 Officers to other Law Enforcement Agencies. During this FY, the Department hired two  
264 new officers and promoted one officer to Sergeant. Two officers are on administrative leave  
265 with pay pending criminal charges. One of these officers is also receiving benefits through  
266 workman's compensation.

267  
268 The ACO and two administrative support personnel positions are staffed. The ACO was on  
269 injury leave for an extended period. The ACO returned to work in March of 2011.

270  
271 The Department has four citizen volunteers who assist with the administrative functions of  
272 the Department. They are extremely valuable in assisting in the catch-up and upkeep of our  
273 Record Management System (RMS). They have been trained in various functions of the  
274 RMS and will be trained in other functions as time goes on. They average about 8 hours per  
275 week.

276  
277 Incode/RMS

278  
279 The RMS was for the most part functional, however, there were many applications which  
280 were required by the department in order to use the system to its full capacity. Without these  
281 applications, we could not upload and retrieve vital data. Working with Encode, we  
282 scheduled weekly conference calls. The RMS is now about 99% functional. Minor issues  
283 are handled through the Encode help desk.

284  
285 Training

286  
287 All Police Officers (except two who are on administrative leave) have met their training  
288 requirements in order to maintain their certifications. The Chief and several officers also  
289 attended various safety training sessions which were held at Town Hall.

290  
291 The ACO and administrative support personnel met their requirement for safety training.

292  
293  
294 Equipment

295 The Department has the necessary equipment to perform its public safety duties. Our biggest  
296 shortfall is having and maintaining high mileage police vehicles.

297  
298 Crime Statistics

299  
300 The Department investigated 2 attempted homicides, 4 rapes, 6 robberies, 213 assaults, 101  
301 burglaries, 227 larcenies, and 23 motor vehicle thefts. Total incidents are 576. 211 of these  
302 incidents were cleared by arrest or other legal mechanism i.e. misdemeanor citation, etc. Four  
303 incidents were unfounded making total incidents 572.

304 Property crime losses for the above incidents were \$691, 398. Total recovered value for the  
305 same incidents was \$159,308.00.

306 Officers submitted 1, 952 reports, made 659 arrests, and investigated 324 vehicle crashes.  
307 2212 citations were issued.

308  
309 There were 2 reported incidents of Bernalillo Police Officers being assaulted.

310 Enforcement Statistics

311 Officers issued 2,212 citations which were either traffic related or misdemeanor citations i.e.  
312 for shoplifting. 7 citations were for animal control violations.

313  
314 State of New Mexico Department of Transportation/Safer New Mexico related enforcement  
315 activities are: 100 Days of Summer, DWI Checkpoints, and Selective Traffic Enforcement  
316 Program (Click it or Ticket). The activities produced 3 arrests, and 1500 citations.

317  
318 We participated in one warrant roundup and arrested 5 individuals.

A review and rewrite of the Department Policies was initiated.

The Department was part of an OSHA inspection of the Town. All noted deficiencies were corrected.

Several Officers and the ACO received letters of appreciation from residents of the Town.

One formal complaint was made against an officer and it was determined to be unfounded.

There being no further business, Councilor Prairie moved to adjourn the meeting at 7:54 P.M. The motion was seconded by Councilor Jaramillo and carried unanimously.
