### PROCEDURE

- Prior to commencement of work, insure disconnection of all gas and electric supply systems by Public Service Company of New Mexico and Gas Company of New Mexico.
- Confer with the Town of Bernalillo Planning Department when a fire hydrant will be employed during the demolition: 771-5896
- For further pertinent information, your attention is invited to the following codes: National Fire Protection Association and International Building Code, Section 3303.2, "Protection of Pedestrians during Construction or Demolition."
