

Town of Bernalillo
**LOCAL INFRASTRUCTURE CAPITAL IMPROVEMENT
PLAN**

NOTICE OF PUBLIC HEARINGS

Town Council Chambers,
Bernalillo Town Hall
829 Camino del Pueblo

5:30-6:30pm

June 22, 2009, July 13, 2009 & July 27, 2009

The Town of Bernalillo invites all interested citizens to a series of Public Hearings to be held in the Town Council Chambers at Town Hall. The purpose of the public hearings is to allow interested parties input into the prioritization of infrastructure projects for fiscal years 2011-20-15. The Infrastructure Capital Improvement Plan will be presented at a regular Town Council meeting for approval on Monday, August 24, 2009.

The Infrastructure Capital Improvement Plan is designed to assist local governments in focusing on long range and short range infrastructure planning. A primary benefit of the plan is that it helps a community establish priorities. Given that infrastructure demands generally outweigh infrastructure financing, priorities are critical in ensuring that the needs of the community are met efficiently.

The ICIP is a five-year plan. It includes the policy direction of the local government, the schedule of infrastructure development and/or replacement, the estimated cost, the justification and the details of each project.

Local citizens are encouraged to attend. Spanish speaking individuals can be accommodated. If you are a citizen in need of an accommodation due to a disability, please contact María Rinaldi at 867-3311.
