Re: Press Release for BPD Monitoring 550 Corridor

The Bernalillo Police Department has begun traffic enforcement along the Hwy 550 construction corridor.

The Bernalillo Police Department initially allowed traffic that utilizes the Hwy 550 corridor to become familiar with the new traffic patterns where construction is taking place. However, due to the numerous complaints by the public of motorists disobeying traffic signals and signs, blocking intersections, and becoming aggressive, the department began strict traffic enforcement.

While the department will focus on traffic along the Hwy 550 construction corridor, officers will also be doing strict enforcement in areas adjacent to, and surrounding, Hwy 550, as well as throughout the Town of Bernalillo.

Motorists are urged to comply with all traffic control devices, slow down, and be courteous to other drivers at all times.
